An internship is an experience in which a high school student learns by taking on a responsible role as a worker in a company or organization and then reflects on what happened while in the workplace. The Internship Program is a supplement to formal classroom instruction. The intent is to significantly add to the vitality of the student's instructional program. Internships are completed by juniors or seniors and students must complete at least 135 hours. Students will earn a credit (1) for the internship. Honors credit is available.
