

Application for PEPI I

(Physical Education Pupil Instruction)

I am looking for a student interested in working with elementary students Grades K-5. This is a course not offered in any other county except Wake. It gives you an opportunity in education as a high school student.

PEP I is a one semester class for 1 unit of elective credit. You are working at an elementary school 4 out of 5 days of the week and on the 5th day you are at Heritage High School planning as well as doing other work and activities within your own P.E.P.I. class.

YOU MUST SUBMIT ONE RECOMMENDATION FROM EACH OF YOUR CURRENT TEACHERS AND RETURN IT TO COACH SLOAN NO LATER THAN MARCH 4TH. If you elect to have additional teachers write you a recommendation, please feel free to do so.

Criteria for class:

1. Attendance in school must be high (we are expected to attend classes at the elementary school with very few exceptions).
2. Enthusiastic person.
3. Teacher recommendation.
4. Willing to perform duties sometimes beyond what is required.
5. Proof of personal insurance will be required.

Please fill out and return:

I _____ am requesting to be admitted into the PEPI I class. Age _____
Grade this school year (only rising Juniors and Seniors) _____ Gender _____ Ethnicity _____

Write a brief summary of why you are interested in this class and how did you learn of this class.

Have you ever worked with younger children before? If so, please give a brief detail.

What would be the important factor for my deciding whether to accept or reject you in this program, if you have to state one point in your favor?
